MEMORANDUM FOR THE RECORD

SUBJECT: Drug Exhibit

I met with DD/S, Mr. Coffey, on 10 October to show him the awards from the AMA and the AAFP. The Billings Medal was left with him to show to the Director if he so chose.

We discussed the drug exhibit and the continuing requests for loans or showings. It was agreed that a duplicate exhibit should be put together that could be loaned in the name of the Agency to various professional groups. Our office would keep the DD/S and Angus Thuermer advised as to the whereabouts of the exhibit at all times. It was also agreed that the exhibit should be shown on Spouse Days. Mr. Coffey suggested that space could be made available elsewhere in the Agency if OMS space could not accommodate.

25X1A6a In regard Angus Thuermer's suggestion that the Agency be advised re the recent blue ribbon win, it was considered best to hold off for the time being. In regard the suggestion made by the Chief, [REDACTED] a letter will 25X1A8a be forthcoming from our office advising as to the responsibilities of Dr. Jaffe.
